INDUSTRIAL AREA FACTORY,
MEGABEVERAGES LTD,
Plot No. 148, Block E,
Unga Limited Industrial Area, Arusha.

Dear Sir/ Madam,

I am an Analytical Chemist and research scientist Intern at African Technical Research Centre (ATRC-VHI) pursuing a Bachelor of Science in Chemistry. I have worked at Arusha water quality laboratory as a water quality analyst and at Sterling Surfactant Limited as a quality controller. My competence relies on Good Laboratory Practices (GLP), Production Management and implementation of ISO 9001:2015 (Quality Management System Standard). I would like to express my interest to work at MEGABEVERAGES LTD as a Quality Personnel, Production team member, laboratory attendant or research and development personnel with the expectation of contributing my knowledge to the company concerning the quality of our products and services to our customers and statutory regulations, production management and research and development. I am looking forward to become part of MEGABEVERAGES LTD team and grow together as a company. Kindly view my CV attached below to find more about my academic background and other qualifications. For an interview or any other required information I can be reached via +255784392668, michaelnyahende8@gmail.com.

Hopefully I would be considered for one among the specified positions above.

Sincerely,

Michael George Nyahende.
