Chief Government Chemist,

P.O. Box 164,

Dar es salaam, Tanzania.

Dear Sir/ Madam,

I am an Analytical Chemist/Research Scientist pursued a Bachelor of Science in Chemistry. I have previously worked at African technical research center as a Research Chemist/ Analytical Chemist intern, Sterling Surfactant Limited as a quality controller and Arusha water quality laboratory as a water quality analyst. My competence relies on Operation of laboratory instruments such as High Performance Liquid Chromatography (HPLC), Gas Chromatography (GC) and Spectrophotometer and Implementation of ISO 9001:2015 (Quality Management System Standard). I would like to express my interest to work at GOVERNMENT CHEMIST LABORATORY AUTHORITY specifically at the Northern Zone offices in Arusha as an analytical chemist, forensic analyst or any other related role, with the expectation of contributing my knowledge and experience concerning the quality of our services to our customers and statutory regulations. I am looking forward to become part of the GCLA family and grow together as a team. Kindly view my CV attached with this letter to find more about my academic background and other qualifications. For an interview or any other required information I can be reached via +255784392668, michaelnyahende8@gmail.com.

Hopefully I would be considered for one among the specified positions above.

Sincerely,

Michael George Nyahende.
