26th Aug 2021.

Arusha Water Quality Laboratory,
P.O. Box 3020,
Arusha, Tanzania.

Dear Sir/ Madam,

I am an Analytical Chemist/Research scientist, Quality Controller and a laboratory attendant as whole. I have previously worked at Arusha water quality laboratory as a water quality analyst and at Sterling Surfactant Limited as a quality controller both as a field student and at African Technical Research Centre (ATRC-VHI) as an analytical chemist/research scientist intern with a B.Sc. Chemistry obtained at the University of Dodoma. My competence relies on Good Laboratory Practices (GLP), Production Management and implementation of ISO 9001:2015 (Quality Management System Standard). I would like to express my interest to work at Arusha Water Quality Laboratory as a water quality analyst with the expectation of contributing my knowledge concerning the quality of our services to our customers and statutory regulations and research and development. I am looking forward to become part of Arusha Water Quality Laboratory team and grow together as a family. Kindly view my CV attached below to find more about my academic background and other qualifications. For an interview or any other required information I can be reached via +255784392668, michaelnyahende8@gmail.com.

Hopefully I would be considered for one among the specified positions above.

Sincerely,

Michael George Nyahende.
